1111 McKee Road Oakdale PA, 15071

August 14, 2014

Review Plan:

The project manager will assign tasks at the beginning of each work day, and through email so everyone is on the same page. Also, the project manager will check up on the team's progress every 15 minutes during the work day, and through email. A short 5 minute meeting will be conducted at the end of each work day.
